

Affordable Housing Forums

A series of conversations on
affordable housing issues in Austin

Forum #5:

Integrating Special Needs Housing into the Community

How can affordable housing be successfully integrated with supportive services? How do housing needs vary for special populations, including seniors, those with mental or physical disabilities, and persons transitioning from homelessness or incarceration? Are there unmet needs in local programs that serve these populations?

**Wednesday, August 27, 2008
Street-Jones Building, 1000 E. 11th St,
4th Floor Conference Room
9:00 a.m. – 10:30 a.m.**
